Suzana's work realm encompasses a variety of design situations. Suzana interacts as an interior design liaison with the client group throughout the project. Her attention to detail with interior elements is further strengthened through client meetings and client objectives. Her role is to review interior and exterior finishes and details, update all interior schedules and reports, interact with product representatives to ensure current information is being utilized.

**In recent years Suzana has worked closely with several School Boards to create their Braille Signage standards. She is well versed with interior signage requirements, CNIB requirements and signage for wayfinding.** She will act as the in-house consultant to all of your signage needs.
